

# THE BOO DEVILS

---

## · BLACK & WHITE LIFE ·

*(Letra y Música: J.M. Mora)*

Black and white nights  
In a black and white car  
With a black and white wife  
Black and white lights  
In a black and white bar  
With a black and white knife

I'm as good as I can be bad  
Of course you're shadows too in disguise  
Everyone has a ying and a yang  
Well, never mind  
That's black and white life

Black and white trash  
In a black and white dump  
With a black and white heart  
Black and white mash  
In a black and white pump  
With a black and white blast

I'm as good as I can be bad  
Of course you're shadows too in disguise  
Everyone has a ying and a yang  
Well, never mind  
That's black and white life

Black and white life  
Black and white life  
Those are true lies  
Black and white

Black and white nights  
In a black and white car  
With a black and white wife  
Black and white lights  
In a black and white bar  
With a black and white knife

I'm as good as I can be bad  
Of course you're shadows too in disguise  
Everyone has a ying and a yang  
Well, never mind  
That's black and white life

Black and white life  
Black and white life  
Those are true lies  
Black and white
