

THE BOO DEVILS

· GET DRUNK ·

(Letra y Música: A. Navarro)

My friends they tell me that I'm drinkin' too much
Yeah, my friends they tell me that maybe I'm drinkin' too much
Well, the place is different but the joy is always a blast

Drunk in Reno, drunk in So. Cal.
The party is the same, the fun is so wild

Get drunk! Baby, baby, baby get drunk
Baby, baby, baby get drunk
Ain' It sweet become junk

My friends they tell me that I'm drinkin' too much
Yeah, my friends they tell me that maybe I'm drinkin' too much
Well, the place is different but the joy is always a blast

Get drunk! Baby, baby, baby get drunk
Baby, baby, baby get drunk
Baby, honey, baby get drunk
C'mon baby, let's get drunk
Ain' It sweet become junk

Drunk in Memphis, drunk in Madrid
The place doesn't matter when you drink cheek to cheek

Get drunk. Baby, baby, baby get drunk
Baby, baby, baby get drunk
Ain' It sweet become junk

My friends they tell me that I'm drinkin' too much
Yeah, my friends they tell me that maybe I'm drinkin' too much
Well, the place is different but the joy is always a blast

Get drunk! Baby, baby, baby get drunk
Baby, baby, baby get drunk
Baby, honey, baby get drunk
C'mon baby, let's get drunk
Ain' It sweet become junk

One more time!
Get drunk! Baby, baby, baby get drunk
Baby, baby, baby get drunk
Get get get get get get drunk
C'mon baby, let's get drunk
Ain' It sweet become junk

You know what?
I ain't drunk, I'm just drinkin'
