

THE BOO DEVILS

· HUNGRY LOVE ·

(Letra y Música: J.M. Mora)

I don't know what to do
The whole weekend without you
'Cause I really wanna have
Have a party at your home
But babe, you're gone
Oh, hungry love!

We were dancing cheek to cheek
Then I kissed softly your lips
Suddenly you left me out
When the moon was shining high
And now it's Saturday night
Oh, hungry love!
Honey don't!

Full moon weekend
There's a shadow over me
Full moon weekend
So hungry I can't be

School is now over
And the music is like a roar
All the girls are pretty cool
Dancing by the swimming pool
And you're sparkling at the hop
Oh, hungry love!

The full moon is in your eyes
I can feel the bite of night
When your claws surround me
In a everlasting kiss
'Cause tonight babe, I'm yours
Oh, hungry love!
Honey don't!

Full moon weekend
There's a shadow over me
Full moon weekend
So hungry I can't be

So hungry, so hungry, so hungry, babe...
By the light of the silvery moon, by the light of the silvery moon, by the light of the silvery moon...
My she-wolf! My she-wolf! Honey don't!
Ah, ah! Ah, ah! Ah, ah! Ah, ah, ah!
Hungry love! Hungry love! Hungry love!
Auuuu!!
