

THE BOO DEVILS

· WHO KILLED GINA? ·

(Letra y Música: A. Navarro)

Gina was dead before she knew it
Someone decided her kiss wasn't true
Her friends always said: "C'mon sweetheart, you deserve someone with a clue"
But she only listened to the Devil inked on her boobs

Who killed Gina? Who killed Gina?
Who killed Gina? Who killed Gina?

A 13 bad luck was her favorite tattoo
I can still see her walking downtown with a new pair of shoes
Some wanted her money. I guess she only wanted to be called honey
This city is mourning since Gina's face turned blue

Who killed Gina? Who killed Gina?
Who killed Gina? Who killed Gina?
